Staying in a B&B is a wonderful alternative to a traditional hotel and Stone Edge Estate is no exception. Nestled on 96 acres conveniently located in Halton Hills and on the edge of the Headwaters Region, you can experience the best of B&B accommodation available today.

Three gorgeous rooms offering all the amenities, with the largest being a double room suite complete with sitting area and a private balcony offering an amazing view of the countryside, breath taking sunrises and sunsets. All rooms offer an ensuite bath, television, bar-fridge, coffee maker, hairdryer and Internet. The home is completely handicap accessible including an elevator.

Inside this stunning 8700 square foot home is a formal dining room where you will enjoy a delicious homemade breakfast. Relax in a common area where you can sit, plan your day-trips and enjoy your mornings on either the front or back porch. Take a swim in the beautiful in-ground, indoor pool with sliding glass doors opening

to the aromatic summer air or enjoy relaxing in the hot tub with a view of the wonderful fireplace, a stylish addition to this recreational aspect of the B&B.

Sharing B&B space with other guests and the family owners is part of the appeal. Often encountering unexpected luxuries and getting a taste of the local flavour and lifestyle are just some of the many reasons why so many people enjoy this style of lodgings. Stone Edge Estates is the perfect location for your next retreat. Just 10 minutes to picturesque Erin or Glen Williams where you can enjoy boutique shopping, cafes and great artisans; your private stay is off the beaten track and minutes from the Bruce Trail Entrance. A special package is available that includes all the rooms for two nights, day access to the estate and a buffet breakfast with an option for lunch. So if you are planning a special occasion, looking for a great spot for the wedding party or having a corporate retreat, consider this beautiful B&B.
